Zayt & Zaatar Freiburg

## FOODBIKES x CARLA Your mobile workplace on wheels

**Agile, flexible, and a real eye-catcher—your mobile food business!**

Whether at street festivals, markets, or large events, your customized vehicle keeps you mobile, independent, and always in the spotlight.

**Tailored to your specific needs:**

Whether individually designed or manufactured by our partner [p3]-Werkstatt, CARLA adapts to your concept.

**Maneuverable & compact:** Ideal for narrow streets, courtyards, and even indoor use.

**Safe on the road:** Our trailer with integrated overrun brake ensures stability and a safe driving experience.

**Location-independent & cost-efficient:** Start your business anywhere—from city festivals to corporate events.

„It's always a highlight when I'm at an event and someone realizes my food stand is on wheels. They're amazed that I have a small, agile kitchen that lets me offer food in a way that's both mobile and eco-friendly.“
