

The ultimate lightweight experience

The City Long Box is a container for trailers with enhanced cargo capacity. It was designed from specifically selected materials to make the container as lightweight as possible. The simplicity of its various components and the roof with a helpful opening mechanism are its great strengths.

INTERIOR DIMENSIONS (mm)	EXTERIOR DIMENSIONS (mm)
L 1638 x W 635 x H 1153	L 1750 x W 790 x H 1170
