

### **Flexible Storage Space:**

When unfolded, the box offers ample room for safely transporting a wide range of items – from tools and work materials to groceries and everyday essentials.

### **Load-Bearing Surface:**

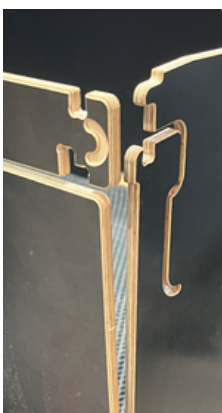

Folded down, it transforms into a flat platform that can support loads of up to 300kg – perfect for carrying long or bulky items such as poles or beams.

### **Space-Saving Storage:**

Thanks to its compact design, the CARLA mini can be stored upright to save space – ideal for tight storage areas or workshops.

## **FOLDING BOX mini**

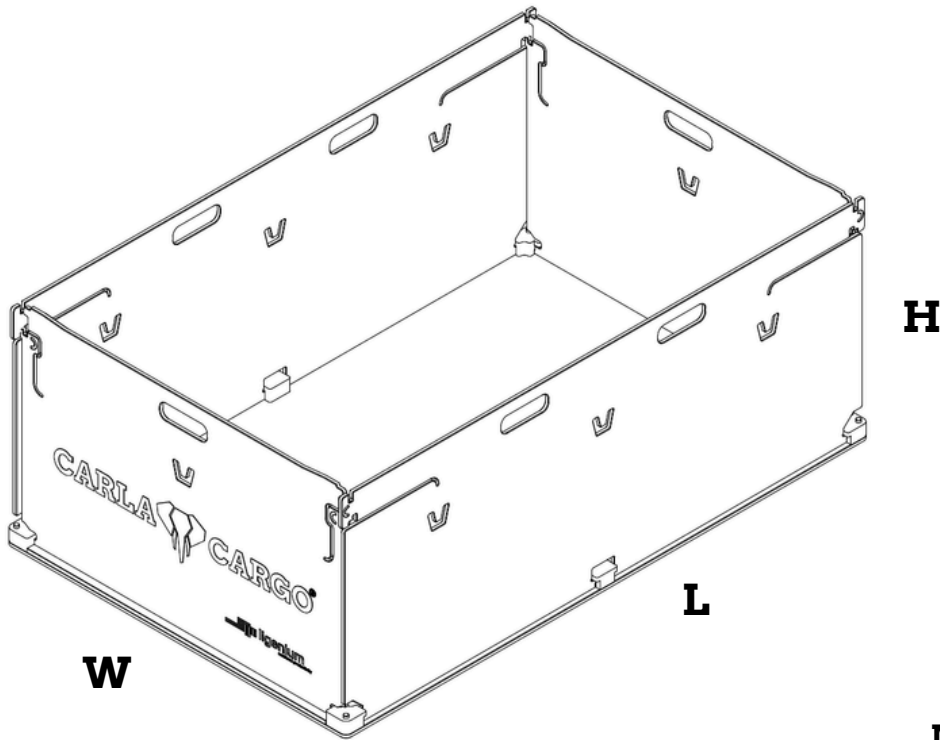

### **Smart Closure Mechanism:**

The tried-and-tested mechanism can be operated with one hand and allows for quick and easy folding and unfolding – even when the box is fully loaded.

# CARLA CARGO

Maße	L x W x H
Outside	1000 x 650 x 400
Inside	958 x 620 x 390

**Weight:** 8,8 Kg

## Material:

The box is made entirely from WVC (Wood Veneer Composite), a recyclable material that can be returned to the recycling cycle at many local waste facilities. No metal or plastic components are used – making it a sustainable choice you can feel good about.
