

## KAPT'N' KEP - Transport Box

**The KAPT'N KEP – built for Carla Cargo. Built for the streets.**

The KAPT'N KEP is our robust and weatherproof transport box for professional use with Carla Cargo trailers – whether Standard, Mini, or Maxi. Designed for the demands of parcel logistics, municipal services, and skilled trades, it keeps your cargo safe and operations running smoothly – in any weather, every day.

Developed in close collaboration with CARLA CARGO and HYPABOX, this box reflects our shared vision: practical, durable, and ready for more.
